Bar Talk

By Lea Millar

Hello All - It looks like I will be taking over the bar talk for a while. Some of you may know me, but for those who don't let me introduce myself. My name is Lea, and I am the newest edition to the bartending team here at the club. Currently, I am the full time bartender that a lot of you see on a day to day basis.

I came here from the Stampede Corral after it closed down, and I must say I really enjoy the different atmosphere this club brings, in contrast to my very hectic weekend job working at a night club - Phil's Grandsons Place.

Not only do I love the relaxed atmosphere of the club, but also the people I am lucky to see every day, and the fun events that go on here!

Dianne and the Cavaliers as well as the Bayou Boys were a big success in September. They were both a very fun night for all members who attended. However, we do also have some exciting events coming up this month which you should all know about!

On top of the fish auction (October 14th) we also have a fun Halloween Bingo night, as well as our first wing night of the season on October 20th. Make sure you all attend, and perhaps volunteer, to show your support to help our club out the most - I know i'll be attending!

After all is said and done ... make sure you all have a safe and most importantly fun Halloween!

Membership Moment

By Brian Smith and Pat Robbins

Both Mens & Ladies 2018 Membership expires on December 31, 2018 this year. Please think about planning for renewal before then and be eligible to participate in Club elections in 2019.

Current members not renewed by then will have until January 31, 2019 to renew after that they will have to reapply for Membership.

There are still a few cards at the Club to be picked up at the Club in the Lounge.

The Proposed one-time Membership Initiation fee of 75\$ was tabled, at Members' request for further discussion at our October Directors Meeting.

Please note that the October General Meeting is on October 15th due to Thanksgiving.

Schnitzel Dinner

By Chef Carroll

November 3rd in the lounge

Thank You

... to all the people who helped out at the Car Show and the Fly Show by setting up, cooking, serving and tear down. Also thank you to everyone who donated items to keep our costs down. Without these wonderful people who donate their time and items we would not make the monies we do.

..to the Flying Dutchmen for renovating the showers in the Clemmer.

... to the RC tank club for greatly improving the aesthetics of the lower ground with their excellent camo job on their club house

... to all the volunteers who helped make the fowl shoot a success. Special thanks to our new member Thomas who brought the whole family out.

... to Trudy and Brian Beckberger for donating a highchair, and to Trudy for cleaning and repairing the highchair we already had.

...to Jamie Niven and Greg Stoeser for rolling the logs into place on the back of the gong pit and putting the new patio stones in place on the trap range.

... to Mark Bartel for donating the portable shooting bench to the range.

... to the many volunteers quietly helping out behind the scenes.

MOHAWK BUS TRIP is cancelled due to increase in bus rates. I want to thank Diane Furlong for doing the driving. We worked together for 15 years. I also want to thank those who helped sell tickets, etc. We sure had a lot of fun and will be missed by all.

Thanks again, Doreen Ritter
