**Property and Lower Grounds:** We need to prevent mud and things getting into Clemmer Kitchen. Health inspector was in. Made some recommendations. Paper towel dispenser behind bar as well as wall mounted soap dispenser. The fryer vents were degreased and power washed. Thanks Brian Smith and Jamie Niven. Club clean up was well attended about 25 people. Emergency Egress lights need to be checked and batteries replaced if necessary. We should make checking them part of a regular maintenance schedule. Paper towel dispensers need batteries changed. Health inspector does not want us using the dishwasher behind the bar. It does not have a sterilizing cycle. A newer one that is inspector approved is being looked into. Sukhi suggested that a list of things that need to be done on a regular basis at the bar, be made up. Eves on main building look pretty good. We will be changing to Starlink for our internet service. Aaron installed a camera on the trap range. Elavon payment processing company will be putting in new cash registers and Debit machines for a good price. New archery targets were made up by Jeff Callow and the wood frames on the range were fixed up. Insurance company is ready to do its work fixing up the dart room and supply closet mold.

**Sports and Innerclub:** WRG Darts are done. They held a banquet last week. Trap is going ok. Mens horseshoes starts this Thursday, May 21.

**Bar:** Todd Cowan settling in as Bar Manager.

**Bulletin:** Sukhi asked for lists of volunteers for various things like club clean up, work done in the kitchens and upstairs.

**Sargeant at Arms:** All good

**Unfinished Business:** Fly club was sent the letter drawn up and a meeting between us and them is to be scheduled. A call to our lawyer to be made and a final meeting with him next week. Stall door on women's bathroom (lounge) to be fixed on Wednesday after trap. We need to get fill to build the new burm. Jamie to make an inquiry.
